

## **OPERATING LICENSE AMENDMENT**

The Dow Chemical Company, Michigan Operations  
Salzburg Road Landfill  
MID 980 617 435

Amendment #3

The hazardous waste facility operating license issued on January 12, 1987 to Dow Chemical U.S.A. (now known as The Dow Chemical Company, Michigan Operations) for the Salzburg Road Landfill is hereby amended. The Salzburg Road Landfill is located at 2314 West Salzburg Road, Midland, Michigan.

### **Attachment 8 - Acceptable Waste Types**

Attachment 8 of the license, Acceptable Waste Types, dated June 6, 1986, that was amended on September 26, 1990 by Amendment #1 and on August 21, 2002 by Amendment #2, is hereby deleted from the license and replaced with Attachment 8, Acceptable Waste Types, dated November 14, 2002.

Issued this 12th day of June, 2003 for the Michigan Department of Environmental Quality.
